Stay Safe Online – Prevention Checklist

General Safety Tips:

- Use strong, unique passwords for each account and enable two-factor authentication (2FA).
- Do not click on suspicious links received via SMS, email, or social media.
- Verify the identity of unknown callers or messages before sharing any information.
- Avoid using public Wi-Fi for logging into sensitive accounts.
- Keep your phone and apps updated to protect against security vulnerabilities.
- Do not download apps from untrusted sources or unknown links.

💰 **UPI / Financial Safety Tips**

- Never share your UPI PIN, OTP, or bank details with anyone—even if they claim to be from your bank.
- Do not approve "collect requests" unless you are sure you are paying someone you trust.
- Remember: **to receive money, you do NOT need to enter your UPI PIN**.

🚨 **Report Cybercrime**

- Report incidents at the **National Cyber Crime Portal**: https://cybercrime.gov.in
- Call the **Cyber Crime Helpline: 1930** for immediate assistance in financial fraud cases.
